Honoured Si

Reference your Memorandum No. 65772/E.2/54-1/Edn./Dated 20-7-1954 received to-day, re: Sec.Education - Periods of Work for Hindi Pand I would be much obliged to you if you kindly permit me to bring to your kind notice that fo the present. Hindi Pandits may not be much ben fitted by the option given by the Government the students to study Hindi under Part II of First Language in Form IV to VI of Secondary Schools, for the simple reason that in such schools where this new option is introduced, as been introduced only in the IV Form this nd the Government also has published the sy ily for that Form. Even when the option i ntroduced in all the higher forms of the Hi

Schools, it will not materially benefit the majority of the Hindi Pandits, because most of the High Schools where these Hindi Pandits work, have only one section for each Higher Form and in such schools, Hindi Pandits may not have more than 15 periods (i.e. 10 hours) of work per week in the High School forms. But in many of such schools, there are at present Hindi Pandits drawing the First Grade Hindi Pandit's scale of pay and these will be hit hard, if suitable ammendments are not made to the order ~~of this~~ No.891/E.3/54/27-3-1954 of the Director of Public Instruction.

Under the circumstances, I earnestly appeal to you to see that the same rules which apply to other language teachers in High Schools may be made applicable to Hindi Pandits also. or Hindi may be considered as a SPECIAL SUBJECT. and for each High School. one first Grade Hindi Pandit may be sanctioned. If for any reason this cannot be done immediately, I earnestly request that at least those Hindi Pandits that have been drawing the first grade Hindi Pandit's scale of pay up-till-now. may be allowed to draw the same scale

of pay in future also, even though for the present they may not have the prescribed 17 hours of work in the High School Forms and kindly see that such first grade Hindi Pandit is adversely affected by the order of the Director of Public Instruction (Madras) quoted on page 2 of this appeal.

Thanking you in anticipation, on behalf of all the Hindi Pandits of the State,

I remain,

Ever Yours in the

With reference to Government's Memorandum No. 65792/Edn/20-7-1954, this meeting of the Hindi Pracharaks, Pandits and Members of the Executive Committee of the Rastra-Bhasha Prachar Sangh, Karkala, held on 1-8-1954 under the Presidentship of Sri. A. R. Navada, B.A., Secretary, Karnatak Provincial Hindi Prachar Sabha, Dharwar, unanimously resolves to appeal to the Government of Madras, that because the real situation in the High Schools is such that even when the students of all the three High School Forms take advantage of the option now given to them in the course of next 3 or 4 years, Hindi Pandits' work there will not substantially increase, except in a very few bigger High Schools with more than 3 sections in each of the High School Forms, to treat Hindi as a "Special Subject", and sanction one First Grade Hindi Pandit's post for every complete High School; and save those first grade Hindi Pandits from the very bad situation that they may be driven to by now enforcing the condition that if they are to continue to get their first grade scale of pay, they should put in 17 hours' work per week in the High School Forms, which would be an impossible task for them, for at least some years to come.

Memorandum submitted on behalf of Hindi Pandits of South Kanara District.

Honoured Sir,

We respectfully beg to submit herewith the grievances of Hindi Pandits of South Kanara as voiced during the Hindi Pracharak Sammelan held under the Presidentship of Sri T. A. Pai, M. L. A. on ~~28-xx-xx~~ 25- 7- 1954 (copy of resolutions appended).

1. Early in June this year the Special Officer, District Board, South Kanara served a notice on all the Hindi I Grade Pandits serving in Board High Schools, South Kanara, that pending final orders from the Government they will be considered as II Grade Hindi Pandits, and some private High Schools of the District also took similar action suddenly reducing the grades, items of grades , and salaries of I Grade Hindi Pandits serving under them notwithstanding the terms under which they were employed and confirmed in their service, not to speak of their long service in the above cadre.

2. Among those adversely effected by these orders are Oriental Title Holders, etc. employed under the 1929 S.S.L.C. Language scheme for teaching Hindi in High School classes in lieu of Regional language and subsequently as I language and Hindustani or Hindi as II Language under 1948 S.S.L.C. language scheme, among whom some have put in a service of more than 15 years.

3. It is pointed out that this action is taken as per R.O.C. No. 3178-F3/53 Memo No. 10204-F2/53-1 Education of the Director of Public Instruction, Madras.

4. It is a fact that these Hindi Pandits and Hindustani Teachers (Pandits) are not having their entire work of 17 hours only in High School Classes which they once used to have under 1929 and 1948 Scheme of language study; but this is not the fault of the teachers but is due to language scheme subsequently introduced in 1950 by the Government prior to which these appointments were made and confirmed.

5. While the Government has previously relaxed this rule of entire 17 hours work in High School Classes only for Pandits of languages other than the regional language as per G.O.No. 840 Education dated 14- 3- 1950 and permitted these Pandits to continue in the same I Grade scale although their work has considerably reduced and had fallen much short of 17 hours due to the changes in the scheme language study introduced by the Government, it is sought to exclude these categories of Hindi Teachers from the reliefs of this order although they are placed in similar circumstances. We respectfully beg to point out that this is unfair and inconsistent with the spirit of G. O. No.996/5-4-1954 giving equal status to Hindi Pandits and contrary to Fundamental Rules.

6. Under the present system of language study - 1950 scheme and even with the provision for the study of Hindi under Part II - Regional language, it is not possible to allot 17 hours of work to a Hindi Teacher in High Schools

Clesses only in most of the High Schools even if 1954 scheme comes fully into force later and many schools are still reluctant to give effect to this new 1954 scheme against the desire of the pupils and their parents.

Hence it is earnestly prayed that the Government may be pleased to look into the grievances of these Hindi Pandits and pass early orders affording the following reliefs -

1. Relaxation of the rule of entire 17 hours work in High School Clesses only to entitle for I Grade scales of pay for these Pandits who have been once confirmed in the I Grade scale under the previous schemes of language study,
2. Not to give retrospective effect to this order,
3. To treat Hindi as a special subject and allow at least one I Grade Hindi ~~for~~ Pandit for each complete High School in view of Para 6 above.

HINDI PANDITS' GRADES IN HIGH SCHOOLS

I respectfully beg to submit herewith the resolutions pa by the Hindi Teachers Conference of South Kanara on 25th July for your kind consideration.

In this connection I beg to add that Government may stay action taken by Managements reducing the Pay, Grades and Item Grades of I Grade Hindi Pandits who have interpreted the Gover Orders, etc., to suit their own purpose

Among the Hindi Pandits affected there are those who have done a good deal National Service and to deprive them of their status will cause great hardship to them and public resentment

I request you to kindly consider the matter in the light of the above resolutions

PROCEEDINGS OF THE CONFERENCE OF HINDI PRACHARAKS AND HINDI PANDITS OF HIGH SCHOOLS OF SOUTH KANARA HELD UNDER THE AUSPICES OF PRADESHIK HIDDI PRACHAR SAMITHI, SOUTH KANARA, UNDER PRESIDENTSHIP OF SHRI T. A.PAI,M.L.A. (MADRAS) AT 10 A.M. SUNDAY 25th JULY 1954

The following resolutions were adopted

(1) : This conference resolves to represent to the Madras Government through the Director of Public Instruction, Madras that under the pre arrangement of Language Study, periods allotted for the study of Hind in High Schools have been progressively reduced and insistence of 17 work exclusively in High School classes now to entitle a Hindi Pandit to I Grade scales of pay will hit hard those who have been already employed and confirmed in the above scale, and hence request the Gove ment to modify G.O.No.840 Edn. 14-3-1950 suitably so that I Grade Hin Pandits already in service are not adversely affected.

(2) The conference further resolves to request the Madras Governrent treat Hindi as a Special Subject and not insist on 17 hours work in High School classes only to entitle a Hindi Pandit for I Grade Scale of pa as it is not possible to assign that amount of work in most of the Hi Schools under the present arrangement and as such insistence accordance with the spirit of G.O.996 Education dated 5-4-1949 provid equal status for Hindi Pandits.

The Special Officer, Coimbatore Dt. Board is informed that Hindi Panditha in Secondary Schools will be eligible for the Grade I scale of Pay only if they have 17 hours of work in higher forms. The possession of the prescribed qualification alone will not entitle a Hindi teacher for the grade I scale of pay, but the hours of work in higher forms should also be taken into account. The orders issued in G.O. No.340 dated 14th March 1950 are not applicable to Hindi teachers in view of Paragraph 3 of the G.O. Sir,

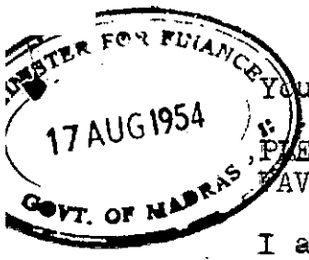
Sub: Discontinuance of Hindi Teachers in Grade I

Ref.: Proceedings of the Director of Public Instruction, Madras, R.O.C.No.3178, P.3/53, dated 13.5.54 & No.840-Edn., dated 14.3.1950.



You might be in receipt of my following wire by now:

PLEASE CONSIDER SOUTH CANARA HINDI TEACHERS' CASE FAVOURABLY LETTER FOLLOWS.

I am to state in this connection that the Hindi Teachers in Grade I are hard hit by the enforcement of G.O.No.840, dated 14.3.1950. Sanskrit and Urdu teachers are exempted from the rule that one must have 17 hours of work in IV, V & VI form. A number of posts of I Grade Hindi teachers had been sanctioned by the Educational Officers and as such many Hindi teachers are drawing the I Grade teachers' pay for the past five or six years. Now, to say that they should be placed in Grade II is a matter which cannot be conceded by any reasonable person.

When the posts of Grade I Hindi teachers were sanctioned Hindi used to be taught in the place of regional language or Sanskrit and six periods were used to be allotted for its study in each form. Even then in many of the High schools there were only 18 periods for teaching of Hindi in the higher forms and such Hindi teachers were never used to have 17 hours of work in higher forms.

The reduction of periods was due to Government's policy according to which two periods were allotted to each form of High Schools since 1950. This is no fault of the Hindi teacher Moreover, when Sanskrit and Urdu teachers are placed in Grade I according to G.O.No.840, dated 14.3.50, there is no reason for excluding Hindi teachers from the previlage accorded by that order. Para 3 of the order seems to be discriminatory.

Now as Hindi has been recognised as the Federal language and as it is the duty of every department of the Govt. to encourage and propagate it, I think such a discouragement on the part of the government will hamper the progress of the National Language.

It is said in the Memorandum, No.65772/E 2/54-1/Edn., dated 20.7.54 that Hindi periods in higher forms will increase according to the new orders of the Government permitting the study of Hindi under part II of the first language. In this connection, I would like to draw your attention to the fact that Government have prescribed the syllabus for

'orm IV only and as a result there will be an increase of
hree periods only.

Under the circumstances, I beg to request you that
indi be treated as a special subject and that a post of
rade I Hindi teachers in every full-fledged high school
e sanctioned.

Yours faithfully,

****

In Government Memorandum No.10204 E2/53-1 Edn., dated 2-12-53, it was ordered that Hindi Pandits would be eligible for the Grade I scale of pay only if they have 17 hours of work in higher forms. The possession of the prescribed qualification alone will not entitle a teacher for the Grade I scale of pay, but the hours of work in higher forms have also to be taken into account. On receipt of Government Memorandum in question, the Special Officer, District Board, South Kanara requested for permission to continue Hindi Pandits in Grade I who were drawing Grade I scale of pay even though they did not have full work for 17 hours in higher forms. His request was not complied with in Director's letter L.Dis.891 E3/54 dated 27-3-54. Subsequently the Karakal Taluk Rashtra Bhastra Prachar Sangha made a representation to Government in June 1954 regarding the Hindi Te affected by the said Government Memorandum and also to sanction one pos of first Grade Hindi Pandit in each of the complete High Schools and th requests were negatived in Government Memorandum No.65772 E2/54-1 Edn., dated 20-7-54.

2. The Hindi Pandits of South Kanara, the Mangalore Pradesika Hindi Prachar Samite and the Secretary, Karnataka Prantiya Hindi Prachar Satha, Dharwar have now made representations to Government regarding the Hindi Pandits and appointment of Grade I Pandits in High Schools. Their requests are:-

(1) to relax the rule of 17 hours of work in higher forms in respect of Hindi Pandits who were already drawing Grade I scale of pay and to modify G.O.No.840 Edn., dated 14-3-50.

(2) to treat Hindi as a subject of special study and not to insist on 17 hours of work in higher school classes only to entitle a Hindi Pandit for Grade I scale of pay for the reasons stated and

(3) to sanction at least one I Grade Hindi Pandit's post for each complete High School irrespective of the quantum of work in high school classes.

My remarks under each item are furnished below:-

(1) In para 3 of G.O.No.840 Edn., dated 14-3-50, it has been made clear that the provisions of the G.O. are not applicable to Hindi Pandits. Now that Government have permitted the study of Hindi under Part II of the First language in Forms IV to VI, commencing from Form IV in 1954-55, there would be increase of periods per week.

(2) Seventeen hours of work in higher forms is insisted upon even in the case of I Grade Tamil Pandits. The Inspecting Officers have been instructed to fix the number of posts only with reference to the above principle and there seems to be no reason to treat Hindi as a special subject for the purpose.

(3) Government have considered the proposal of allowing one Grade I Hindi Pandit for each Secondary Schools irrespective of the number of periods of work in the higher forms and have dropped it.

... The period of work of 17 hours in high school classes prescribed in Government Memorandum No.10204 E2/53-1 Edn., dated 2-12-53 is not specially intended for the South Kanara District. The entire State is guided by the instructions contained therein and there doen not appear to be sufficient reason for the organisations in the South Kanara District alone to agitate on the above issue.

4. The enclosures received with the Government Memoranda dated 20-8-54 and 30-8-54, and Government endorsement dated 12-8-54 are herewith resubmitted.

Sir,

Sub: ESTABLISHMENT- Secondary Schools - District Board South Kanara - Hindustani teachers- Qualifications and scale of pay - Grant of pay in the Grade I.

Ref: G.O.No.996 Edn., dated 5-4-1949.

In G.O.No.996 Edn., dated 5-4-1949, the Government revised the qualifications and scales of pay of Hindustani teachers under Local Bodies having regard to the further revision of the qualifications and scales of pay for Pandits in other languages, ordered in G.O.No.526 Edn., dated 15-3-1948. Hindustani teachers were classed into Grade I and Grade II and employment of Hindustani teachers in Grade I was confined to High Schools and those in Grade II to Middle Schools. In G.O. Ms.No.1532, Edn., dated 17-5-1950 Hindustani teachers were placed in two grades for the purpose of grant of special pay. Such of those as had work exclusively in High School Forms were placed in Grade I while those who had work in Middle School Forms (Forms I to III) were placed in Grade II. With reference to these orders, posts of Hindustani teachers were created in the following Board High Schools in consultation with the District Educational Officer, South Kanara.

(1) Board High School, Coondapur

(2) do Udipi

(3) do Puttur

(4) do Karkal

(5) do Moolky

(6) do Kasaragod

(7) do Baindur

Accordingly appointments to these posts were made from persons possessing the qualifications prescribed and all the above posts have been filled up substantively. The following incumbents holding these posts in Grade I have been confirmed from the date noted against each and they are drawing substantive pay at the rate shown in column 5.

According to the Statement made by the Education Minister on the floor of the Madras Legislative Assembly as reported by the "Madras Mail" dated 8-1-1954, Hindustani teachers in Grade I are required to put in 17 hours of work in High School Forms. As these Teachers under this District Board do not have 17 hours of work exclusively in High School Forms, the Director of Public Instruction was addressed in this office Roc.No. A3-780/54 dated 26-2-1954 to approve their continuance in Grade I. But the Director of Public Instruction has stated in his L.Dis.No.891/54/ E3 dated 27-3-1954, that Hindi Pandits in Grade I are required to put in 17 hours of work in High School Forms. If the ruling is applied to the above hindustani teachers, they will have to be pulled down to Grade II and paid a pay in the scale of pay attached to Grade II. This will amount to down grading and a punishment to them for no fault of theirs specially in view of the fact that in the G.O.No.996 Edn., dated 5-4-1949 prescribing qualifications and scales of pay, no mention of the minimum number of hours of work was prescribed. With the reduction of periods in Hindi, it has not been found possible to have 17 hours of work exclusively in High School Forms even in big High Schools. It will, therefore, be unfair if their grade is to be revised at this stage of their service when they are holding substantive appointments and have earned increments in the time scale of pay.

I, therefore, request that Government may be pleased to allow them to draw pay in the 1st Grade in the circumstances stated above and apply the restriction now imposed to the new incumbents.

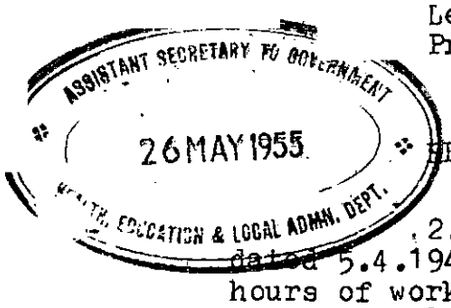
Letter B6.780/54 dated 28.2.1955 from the President, District Board, South Kanara.



RE-SUBMITTED.

2. It is true that in G.O.No.996 Education, dated 5.4.1949 no mention has been made regarding the hours of work a Hindi Teacher in Grade I should have. Only the qualifications and scales of pay have been prescribed in the G.O. The appointment of Pandits in Grade I or II in Secondary Schools under Local Bodies and aided managements is regulated with reference to the instructions issued in Director's proceedings Rc.842.B1/47 dated 20.10.48 vide para 7 of G.O.975 Education dated 10.5.1947. The strength of Pandits in each category has to be fixed by the District Educational Officer or Inspectress in the Local Body and Aided Secondary Schools. One post of Grade I Hindi Pandit was fixed for each of the District Board Secondary Schools at Coondapoor, Udipi, Puthur, Mulki and Kasargode by the District Educational Officer, South Kanara in his Rc.6892-B/49 dated 22.8.1949 (copy enclosed). It was also laid down that a Hindi Teacher in Grade I should have 17 hours of work in Forms I to VI.

3. The names of Hindi Teachers, the school in which they were appointed as Grade I Hindi Teacher for the first time, the date of their appointment in Grade I, hours of work in Hindi in Higher forms on the date of their appointment are furnished below:-

NAME OF THE HINDI TEACHER.	NAME OF DT.BOARD SECONDARY SCHOOL.	DATE OF 1st APPOINTMENT IN GRADE I.	HOURS OF WORK IN Hr.FORMS ON THE DATE IN COL.3.
1.	2.	3.	4.
Sri P.P.Karantha.	Coondapoor.	1.1.49.	16 hours.
Sri Ch.Shanker Bhat.	Udipi.	1.1.1949.	10 hours.
Sri M. Gopal Shenoi.	Kasargod.	1.1.1949.	6 hours.
Sri Annappa Ganiga.	Moolki.	1.1.1949.	12 hours.
Sri Narayana Aithala.	Puthur.	8.9.1949.	14 hours.
Sri S.S.N.Udadhyaya.	Kasargod.	6.9.1951.	6⅔ hours.
Sri Sidhu Poojari.	Kasargod.	18.8.1952.	7⅓ hours.

From the particulars furnished above it may be seen that none of them should have been appointed as Grade I Pandit as the number of hours of work in higher forms in all schools was less than 17. On receipt of the District Educational Officer's letter Rc.6892.B/49 dated 22.8.1949, the President, District Board, did not verify as to whether the Hindi Pandits in Grade I had 17 hours of work and the irregularity was allowed to continue. The District Board had also another occasion to correct the error i.e. after the issue of G.O.840 Education dated 14.3.50. Even after the receipt of the G.O. the President, District Board did not pursue the question as to whether or not the Hindi Pandits in Grade I who have not full work in higher

forms could be retained in Grade I. The reasons adduced by the Special Officer, District Board for the retention of Hindi Teachers in Grade I do not appear to be relevant.

4. The particulars furnished by the District Educational Officer, South Kanara (copy of the statement enclosed) it is seen that one Grade I Hindi Pandit could be appointed in the Board High School, Coondapoor during 1949-50 and one Grade Hindi Pandit in the Board High School, Puthur in 1950-51 and that during the remaining period there was no need for Grade I Hindi Pandit in any of the High Schools.

5. In the circumstances, the request contained in the last para of the letter Roc.A3.780.54 dated 24.7.1954 from the Special Officer, District Board, South Kanara, resubmitted herewith is in admissible.

With reference to the reports received from the Headmasters of Board High Schools the number of pandits posts allotted for each school will be as follows: In this connection I have to point out that under the Director's instructions each Pandit should have a minimum of 17 hours of work for week, in wach of the languages. Grade I Pandits should have 17 hours of work in forms IV to VI only though there is no objection to Grade II Pandits being assigned work in High School forms. The Head masters may be advised to distribute the work in the languages with reference to the posts allotted as hereunder. Kannada work in the lower forms are also proposed to be handled by Kannada Pandits in accordance with the Director's proceedings Dis.5871/48 dated 23.12.48 and provision has been made therefor.

(1) that each complete high school should have a Grade I Hindi Teacher.

(2) that the existing Hindi Teachers in Grade I may be allowed to continue though their work is for less than 17 hours and

(3) the grievances of Hindi Teachers affected by the provisions of Director's proceedings Rc.No.3178 E3/53 dated 13.5.54 are redressed.

ITEM (1): The suggestion was considered by Government and in G.O.Ms.No.2695 Education, dated 30.12.1953 it was ordered that it is enough to consider (i) provision for the study of Hindi under Part II of the First language and (ii) reducing the number of periods of work in Hindi in higher forms to 18 periods. The first one has already been implemented with effect from 1954-55 beginning in Form IV. Regarding reduction of periods of work Director's remarks are being submitted to Government separately.

ITEM (2) : As per the existing rules, Hindi Teachers Grade I should have 17 hours of work in higher forms. If a Hindi Pandit is having 17 hours of work in higher forms and is receiving Grade I scale of pay, there is every chance of his continuance in Grade I, since Hindi could be taken under Part II of the language in higher forms and the number of working hours is likely to increase. If he was given Grade I scale of pay due to same mistake as in the case of Hindi Teachers of South Kanara District, they cannot be retained in Grade I. Kind attention is also invited to G.O.Ms. No.1002 Education, dated 2.6.55 in which the cases of Hindi Teaches of South Kanara District were disposed of.

ITEM (3): The representations from Hindi Teachers affected by Government Memo.No.10204 E2/53-1 Edn dated 2.12.1953 communicated in Director's proceedings Roc.No.3178 E3/53 dated 13.5.54 so far received were disposed of in G.O.Ms.No.1002 Edn.dated 2.6.55.

   If secondary Grade trained Rs. 50-2-90/-

Memo.No. 83828-E3/55-1, Edn. d/ 3.11.55. 8/9/55

The D.P.I. is informed that the intention of the Govt. is that Hindi teachers who were wrongly allowed prior to 5-4-1949, the Grade I scale of pay prescribed in G.O.Ms.No.996 Education, dated 5-4-1949, without reference to the minimum period of work in higher forms need not be brought down to the Grade II scale of pay but that they might be continued in the Grade I scale despite the shortage in the minimum period of work. If on 5-4-1949 none of the Pandits was were in the scales fixed for I Grade in the above G.O., they should not be brought under these scales of I Grade after that date without reference to the 17 hours of work. If on 5-4-1949 any of the Pandits was in the scale of Rs.50-2-90 he may be given the scales of pay of Rs.75-5-145 or Rs.60-4-120 or Rs.50-4-110 according to the qualifications specified in the G.O. dated 5-4-1949 without any reference to the 17 hours of work and his pay may be fixed under F.R. 22. Any excess salary paid need not be recovered.

EDUCATION - Secondary - Hindi Pandits Grade I Reversion to Grade II - Representations from Hindi Organisations in South Kanara District

From the D.P.I., Roc.No.2990 E3/54 dated 1-5-55.

The Karkala Taluk Rashtra Bhasha Prachar Sangh, Karkala has addressed the Govt. on the question of improvement of the conditions of service of Hindi teachers employed in secondary schools. Certain resolutions were also passed on July 1954 at the conference of Hindi Pracharaks and Hindi Pandits of high schools of South Kanara Dt. urging on the need to relax certain conditions of work prescribed for Hindi pandits in secondary schools.

The main requests made are --

(1) that the minimum period of 17 hours of work in a week prescribed for Hindi Pandits to earn pay in the I grade should be relaxed.

(2) At least one Hindi Pandit of the I grade should be sanctioned for each school irrespective of the quantum of work in higher

Item (1) above - As explained by the D.P.I. it may not be desirable to relax the minimum hours of work in respect of Hindi teachers alone The number of periods of work assigned for Hindi Pandits has increased on account of the provision for the study of Hindi under Part II of the First Language. It does not appear that the request can be complied with.

Item (2) above - The request is more or less the same as request made under No.(1) above but in

a different form. If one Pandit in Grade I is allowed in every high school irrespective of the quantum of work, the expend'ture to Govt. by way of grants will increase. A concession shown in the case of Hindi teachers may have tobe extended in the case of Pandits of other languages. The extra cost to Govt. is bound to increase. The present time may not be opportune to consider the request.

The file may be circulated to M. (F & E) with reference to his minutes on p.11 c.f.

Asst. 14-5-55

F & E) This condition may be relaxed in respect of Pandits, who were already employed as Grade I Pandits, even prior to the issue of the G.O.

18.5.55

~~It is not clear what the orders in circulation are.~~ The pay of Hindi pandits was revised in 1949. Before the revision, there were two scales of pay for Hindi Pandits; Rs.50-90 for those who have had undergone Secondary Grade training and Rs.40-70 in the case of others. Under the orders of 1949 three* scales of pay were prescribed for Grade I Hindi Pandits and two@ scales of for Grade II Hindi Pandits. The D.P.I. has issued proceedings in 1948 to the effect that

* Rs.75-5-145 Rs.60-4-120 and Rs.50-4-110.

@ Rs.45-85 and Rs.40-80.

pandits in languages and Hindi teachers can be allowed Grade I scale of pay if they have work in higher forms for not less than 17 hours per week.

2. Attention is solicited to the letter from the P.D.B., South Kanara, on pp. 7-8 c.f. and the remarks of the D.P.I. on p. 8 c.f. From the correspondence it is seen that the P.D.B. has been allowing Grade I scale of pay to 7 Hindi teachers even though the quantum of work assigned to them was for less than 17 hours per week. The pay of these pandits has been revised and they have been brought down to Grade II scale. The President requests that the Hindi teachers already admitted to the Grade I scale of pay might be permitted to draw pay in that grade as a special case even though they do not have work for 17 hours per week. The condition of 17 hours of work per week may in the opinion of the President be applied to Hindi teachers to be appointed hereafter. The D.P.I. is not in favour of the proposal of the President.
